The report of the Treasurer of the College and the Director of Alumni Affairs and Church Relations are included in this bulletin. The eighty-second year of the college was marked by a significant advance in enrollment, a successful continuation of the financial campaign, and the completion of plans for the new library and a new dormitory for women.

Religious Activities

Church of the Brethren Day, held on the campus October 14, 1961, brought around 350 young people with their pastors and sponsors to the campus for that day. Several members of the faculty and administration talked with these young people about the offerings of Bridgewater and the advantages of attending their own church college.

The Sixty-Seventh Annual Spiritual Life Institute was held February 13-15, 1962. The guest speakers were James W. Clarke, Minister of the Second Presbyterian Church, Richmond, Virginia; Stewart B. Kauffman, Pastor of Stone Church of the Brethren,

Huntingdon, Pennsylvania; B. Merle Crouse, Missionary to Ecuador; Carl E. Myers, Director of Ministry and Evangelism, Church of the Brethren; and Edward K. Ziegler, Pastor of the Oakton Church of the Brethren, Vienna, Virginia.

The Youth Roundtable, held April 28-29, 1962, brought over 500 youth from the Region to the campus for the weekend. The principal leaders were Robert L. Sherfy, Pastor of the Harrisonburg Church of the Brethren, Harrisonburg, Virginia; Perry Huffaker, Pastor of the Pine Creek Church of the Brethren, North Liberty, Indiana; Paul H. Fike, Pastor of the Cloverdale Church of the Brethren, Cloverdale, Virginia; Joseph M. Long, Youth Director, Elgin, Illinois; and Merle Crouse, Missionary to Ecuador.

Commencement

The Eighty-Second Commencement was held June 3 with Lawrence G. Derthick, Assistant Executive Secretary for Educational Services, National Education Association, as the speaker. The baccalaureate service was held in the morning of the same day with Warren D. Bowman as the speaker. Baccalaureate degrees were conferred upon 79 students, and fifteen candidates for degrees in August were presented. The honorary degree of Doctor of Laws was conferred upon Paul Hoover Bowman, and the honorary degree of Doctor of Divinity was conferred upon Samuel A. Harley.

Alumni Day was observed Saturday, June 2. Dr. Herman L. Horn was elected president of the Alumni Association. The Alumnus of the Year Award for 1962 was presented to H. LeRoy Scharon.

Finances

We are glad to report that we were able to close the year of 1961-62 with a balance of \$3,495.74. This was made possible through strict economy, and through gifts from churches of the region and from the Virginia Foundation for Independent Colleges.

Gifts to the College

From July 1, 1961, through June 30, 1962, the college received \$130,730.23 in cash as gifts, exclusive of cash contributions to the Crusade for Excellence Campaign. Included in this amount was \$50,152.23 from the Virginia Foundation for Independent Colleges; \$17,339.00 in research grants; \$28,218.12 from districts and churches for operation; \$2,000.00 from the Women's Fellowship for their special project, the support of the Director of Student Christian Life; \$2,000.00 from the General Brotherhood Board for operation; and \$11,376.28 from bequests. In addition to the above, \$193,359.89 was received in cash for the Crusade for

Excellence. During the past fiscal year 1254 alumni contributed \$165,478.89 for all purposes.

The Crusade for Excellence

The Crusade for Excellence Campaign was carried on successfully throughout the fiscal year 1961-62, under the directorship of A. Ray Showalter. Solicitations were conducted in the southern portion of the Second District of Virginia not covered by the Home Community Campaign, and in the Districts of Florida and Mardela. The Campaign was underway in First West Virginia and part of Western Maryland at the close of the fiscal year, June 30, 1962. The results as of June 30, 1962, are as follows:

<i>Area</i>	<i>Number of Subscriptions</i>	<i>Amount Received</i>
Home Community	726	\$350,169.00
Florida	160	29,941.00
Mardela	133	19,021.00
Eastern Maryland	427	67,005.00
Middle Maryland	307	30,961.00
Eastern Virginia	307	53,142.00
First Virginia	371	58,988.00
Second Virginia*	321	38,896.00
Southern Virginia	270	28,496.00
First West Virginia**	179	11,459.00
Western Maryland**	89	4,478.00
Other gifts toward Crusade		21,258.00
Total	3,290	\$713,814.00

Total amount received in cash from Crusade for Excellence through June 30, 1962, \$316,265.00.

During the fiscal year of 1962-63 the campaign will be completed in First West Virginia and Western Maryland, and will be carried on in Second West Virginia, North and South Carolina, the portion of Northern Virginia not covered by the Home Community Campaign, and in the Tennessee District. It would appear that our Challenge Goal of \$750,000 will be achieved during the next fiscal year.

*Part not covered by Home Community Campaign.

**Campaign incomplete June 30, 1962.

The New Library

The contract for the new library was awarded to the Nielsen Construction Company March 7, 1962, for \$424,215. Construction began in April and has been proceeding according to schedule. It is expected to be ready for occupancy by the late summer of 1963. This building will be a great asset to our campus and will add much to our educational program.

Daleville Hall

During the year the Housing and Home Finance Agency of the federal government granted the college a loan of \$380,000 for the construction of a dormitory that will accommodate 105 young women. Bids were opened June 28, 1962, and the contract was awarded to Nielsen Construction Company July 16, 1962, for \$348,570. The building has been named Daleville Hall, in recognition of Daleville College which was consolidated with Bridgewater in 1923, and will be ready for occupancy by September 1963.

The Cafeteria

In the fall of 1961, the college departed from its hitherto family style of feeding the students in favor of a cafeteria. This was practically forced upon us by the increasing enrollment among boarding students which overcrowded the dining hall. The Slater Food Service was employed to manage the cafeteria. This new method of providing meals for students has been warmly received by the student body and appears to be giving a high degree of satisfaction.

A Consultation Service

Throughout the session of 1961-62, Dr. Paul H. Bowman continued to render able service as General Chairman of the Crusade for Excellence Campaign. He also served as a consultant on wills and charitable gifts in behalf of the college and the broad interests of the church. During the year ahead he will be able to give more time to this significant work. He will be available for consultation with individuals and with groups with reference to constructive giving to charitable causes.

Conclusion

The past year has been marked by a serious effort to translate the Crusade for Excellence—excellence in education, character, and service—into reality. The financial returns from the Campaign have been indeed gratifying, and the prime goal of providing a new library is in process of achievement. The immediate years ahead will present significant problems and great challenges. These will center around the strengthening of the financial structure of the college, further improvement of the faculty, greater selectivity in the admission of students, the development of a more intellectual tone on the campus, the provision of greater cultural opportunities, the stimulation of more students to attend graduate or professional schools, the improvement of the spiritual atmosphere of the campus, and the lifting of the image of the college in numerous ways. The administration, the faculty, and the trustees will need to pool their judgment frequently as to how we can advance the college on a broad front. With

the highest cooperation on the part of us all we believe that Bridgewater College can meet the challenges of the present and the future and provide an ever finer Christian higher education for the many choice youth who study here.

Respectfully submitted,

Warren D. Bowman

NOTE

Gifts for operating budget (column 1 above): In some cases district treasurers sent to the college lump sums without identifying the local churches and amounts from each church. Thus, no record could be made or credit given in this report with respect to the giving of such churches to the operating budget of the college. All unidentifiable gifts from district treasurers are designated as "district gifts". Local church treasurers should request district treasurers to clearly identify the church and the amount when forwarding payments to the college if the local church credit is desired.

Gifts designated for other purposes than the operating budget (column 2 above) include offerings for music and deputation groups, etc.
